

What's In A Name...

The name of our program, Driving Magic, Inc. is special to us both for who it honors and for what we strive to accomplish. "Moonshine's Magic" was a rescue horse who supported therapeutic riding and driving for over 15 years - our name honors all that he did for people with disabilities, and to Roger Worden, the man who rescued Magic and trained him to help others. Creating magic in the lives of people who participate and volunteer in our program is the goal of Driving Magic, Inc.

Driving Magic, Inc.

Our Mission

Driving Magic, Inc. is a 501(c)(3) non-profit providing therapeutic and recreational activities for people with disabilities. We focus on carriage driving and horsemanship programs and outreach to the community we serve.

Therapeutic Benefits of Equine-Assisted Activities

As documented by NARHA (North American Riding for the Handicapped Association, Inc.) over the past 25 years, program participants have experienced:

- + Improved muscle tone, balance, posture, coordination, motor development and emotional well-being
- + Increased eye-hand coordination
- + Positive effects on centrifugal force - challenging the abdominal and lower back muscles
- + Improved development of cognitive skills such as sequencing, spatial awareness, environmental awareness, directional awareness and motor planning
- + Enhanced communication skills
- + A sense of normalcy, especially for those recovering from a traumatic injury or in rehabilitation after an extended stay in a rehabilitation clinic
- + Improved self-discipline, self-esteem and sense of accomplishment
- + **FUN!!**

What We Do:

The best way to describe our program is to show you; through the eyes of our participants, volunteers, and horses. . .

Our Location:

Steadfast Farms, a 680-acre working farm in Hoschton, GA; just 3 miles off of I-85N at exit 129; with a 250' x 350' arena and over 8 miles of carriage-accessible trails.
